JAMES PELLEGRINO	<i>DRAFTSPERSON</i>
YASEMIN SAYDAM	<i>ADMINISTRATION</i>
EMILY MITREVSKI	<i>ADMINISTRATION</i>

Xpress Building Design Group is a renowned architectural-design firm operating in Melbourne's West.

As a one-stop destination for investors, downsizers, upsizers, developers and first-home buyers, we take pride in our ability to oversee the success of your project from the initial design stage to construction and beyond.

Our winning combination of quality design and exceptional customer-experience is made possible by the dedicated team-members that carry the Xpress name with pride on a daily basis.

Our expertise and understanding of design is not only evident in our 20-years in the industry, but in the abundance of satisfied clients who have come to expect nothing but the best.

WHAT WE DO

TOWN PLANNING

Plans that are prepared and submitted to Council for Planning Permit Approval

WORKING DRAWINGS

Construction-issue drawings used by Builders to construct a dwelling

CUSTOM DESIGN

Unique and modern designs to suit your style, scale and budget whether it be your dream home or investment property

CLASS 1B & EXTRAS

We can assist with Class 1B Developments, Factories, Extensions, Rectification Works and 3D Rendering

XPRESS BUILDING DESIGN

from concept to construction

Available via phone, text, zoom,
facetime, skype, social media etc.

What works for you, works for us!
